**Contact Information – School of Art & Design, Guggenheim Hall 103, 970.351.2143**

Department Web Page: <http://www.arts.unco.edu/artanddesign/index.html>

**See notes page 2**

This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.8 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

## Notes

1. After successful acceptance of entry application, new Art & Design students must complete the Freshman Foundation requirements before they can begin their advance art studies. The Freshman Foundation Courses include Art 181, 182, 183, 184 and 234 which must be completed with a 3.0 GPA. Students also must successfully complete the Foundation Portfolio.
2. To graduate with a B.A. in Art & Design, all students must earn a 3.0 cumulative GPA or higher in all courses in the major, and a 2.8 GPA or higher for overall university coursework.
3. An exit level Art History research paper is required prior to graduation. Students will be evaluated through a defense of their thesis by committee during their last semester of their senior year. Students will also be evaluated on their knowledge and successful demonstration of academic research and methodology skills.

The art history emphasis is a program preparing the student for an academic career in Art History, and provides the student with the basic skills needed for graduate level coursework. This emphasis requires the student to be competent in the visual arts, including an understanding of artistic techniques, styles, historical context and various research methodologies. The student will also demonstrate competency of an appropriate foreign language for continual research and scholarly development.
