All Graduate Students must take an Entrance Exam prior to their first term. Any deficiencies may require additional coursework. Master of Music candidates will take a written Comprehensive Exam at a time approved by the major advisor.

Recitals should be recorded and a printed program and CD recording should be filed. A correlative paper will be required in conjunction with the recital.

All graduate students enrolling in the school of music as majors are expected to attend major recitals, concerts, productions, and convocations on a regular basis as part of the course program.
